2nd April 2025

Dear Parents, Carers, Staff and pupils,

As another term finishes and we head towards Easter Break, I am thinking of all the things that have taken place over this last term.

As governors we keep up with the fabulous Facebook posts that showcase all the activity going on in the school. In addition, we ask questions in our governor meetings and make visits to school to see what is going on first hand.

As governors we are seeing and hearing that pupils continue to work hard to achieve outcomes at SATs with support from teachers and you as parents.

The following are some of the things that have stood out this term.

- A visit from Chris White to support with World Book Day, with poem writing taking place during the day.
- Pupils took part in a course to support what we do in an emergency. Pupils learnt about what we do to offer first aid.
- Positive contributions and hard work took place by all staff and pupils during Enterprise week.
- Pupils learning instruments played for the whole school. This was fantastic to see!
- As always, we are following safeguarding in the school, the care and support that is offered by the school is clear to see. If you have any concerns, please ensure you are aware of school policies and how to report something.
- Governors look at progress, attendance and behaviour of different pupil groups. The support being offered by the school staff to support pupils' progression is fantastic.

We would like to thank staff for the continued support and hard work that takes place to support our pupils.

- We are pleased to hear that after the successful Open Events we have a positive number of families putting us as their first choice in September. This is positive to hear. As a community it is important that we continue to promote the good work that takes place in school to support pupils on their Leen Mills journey. Please continue to positively promote the school as it needs the whole of our community to work together to support with this to continue to make positive changes for the school.
- It is great to see the fundraising taking place to support a former pupil. Governors from both Leen Mills School and The Holgate Academy will be supporting staff with the fundraising walk due to take place in May 2025.

Finally, I take this opportunity of wishing everyone in the Leen Mills Community a Happy Easter. Please enjoy a restful break. We look forward to seeing you back in school after the bank holiday.

Kind regards,

Emma Paine
Chair of Governors
